

# STACKABLE AND NESTABLE CONTAINERS

Ref. 1694 in cod handling room.

- The outside nerves on the base guides containers in stacked position.
- It prevents displacement.
- Its longitudinal direction facilitates cleaning.

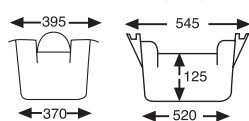

## 1728 STACKABLE AND NESTABLE CONTAINER

| External Dimensions     | Weight    | Capacity  | Color | Material | Un. Pallet |
|-------------------------|-----------|-----------|-------|----------|------------|
| L.650; W.450; h.225 mm. | 1.750 kg. | 20 liters | □ ■   | HDPE     | 88         |

Stackable by 90° rotation.  
It can be stacked and nestable between ref. 1693 and 1694

Internal Dimensions (mm.)

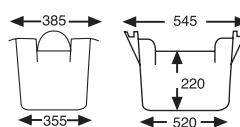

## 1694 STACKABLE AND NESTABLE CONTAINER

| External Dimensions     | Weight    | Capacity  | Color | Material | Un. Pallet |
|-------------------------|-----------|-----------|-------|----------|------------|
| L.650; W.450; h.320 mm. | 2.300 kg. | 40 liters | □ ■   | HDPE     | 60         |

Stackable by 90° rotation.  
It can be stacked and nestable between ref. 1693 and 1728

Internal Dimensions (mm.)

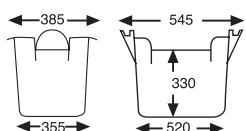

## 1693 STACKABLE AND NESTABLE CONTAINER

| External Dimensions     | Weight    | Capacity  | Color | Material | Un. Pallet |
|-------------------------|-----------|-----------|-------|----------|------------|
| L.650; W.450; h.425 mm. | 3.460 kg. | 60 liters | □ ■   | HDPE     | 48         |

Stackable by 90° rotation.  
It can be stacked and nestable between ref. 1694 and 1728

Internal Dimensions (mm.)

## 1705 STACKABLE AND NESTABLE CONTAINER

| External Dimensions     | Weight    | Capacity   | Color | Material | Un. Pallet |
|-------------------------|-----------|------------|-------|----------|------------|
| L.770; W.595; h.425 mm. | 4.580 kg. | 100 liters | □ ■   | HDPE     | 30         |

Stackable by 90° rotation.

Internal Dimensions (mm.)
